Re: Performance at Mainsail Arts Festival

Dear Larry:

I wanted to let you know how much we enjoyed having Orleans at the 34th Annual Mainsail Arts Festival on April 18th, 2009. The crowd was really “up” and anxious to enjoy the band and all your hits, and you guys delivered. Our sponsors, volunteers, committee members and especially the fans, were extremely enthusiastic about your performance. I hope you enjoyed the fabulous waterfront venue and incredible weather.

And on the production side, everything from the advance to the final trip to the airport went smoothly and without a hitch. Everybody was very accommodating and easy to work with, which makes my job much easier. Thanks again, and I look forward to seeing you in the future.

Sincerely,

Gregory H. Fisher
