Dear Larry:

GREAT SHOW! Orleans was the perfect choice for our fundraising party on September 23rd. Your showmanship, great songs, enthusiasm, energy and talent brought our crowd to their feet. The energy and vibe in the room was simply fantastic.

The memory that sticks in my mind was the joyous packed dance floor during "Dance With Me." What a great moment, as I saw dozens of our best donors out on the floor enjoying themselves and celebrating their relationship with our Chapter. The lead sponsors have already committed for next year.

Anyone looking for pure professional entertainment should surely consider ORLEANS. You're still the one!

Sincerely,

Ken Williams
