Mr. Larry Hoppen

Re: Amelia Island Concert

Dear Larry:

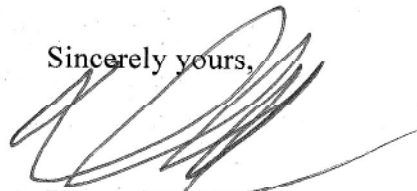

I just wanted to write this letter to thank you for the concert that you put on for the Tax Section of the Florida Bar at Amelia Island. It was fantastic!

Not only did the musicians put on a performance that had the entire room standing and dancing for the entire show, but they spent over three hours with us at the cocktail reception signing autographs and telling us great band stories that we will never forget. There wasn't a single musician who acted haughty or like a prima donna; they were all extremely friendly and open.

I have gotten countless calls, emails and memos from various attendees thanking me and telling me again what a great show it was. This is the first time in twenty years that I have gotten anybody to say "great show".

Thanks again, and we will be seeing you soon.

Sincerely yours,

Domenick R. Lioce
